Dear Sir or Madame:

On January 12, 2010, an inspection was conducted at your facility by Jim Grob, of the Water Quality program. At this time, the inspector determined that your facility was engaged in or had completed activities eligible for recognition under our new Environmental Stewardship initiative. As a result, the Department is formally recognizing the voluntary and proactive measures you have taken in an effort to improve the environment. Enclosed is a Certificate of Stewardship reflecting the Department's appreciation of your efforts.

You may review the details of the stewardship activity we have acknowledged and compare your performance to others in the state by viewing our data online at [http://datamine2.state.nj.us/dep/DEP\\_OPRA/stewardship.html](http://datamine2.state.nj.us/dep/DEP_OPRA/stewardship.html). It is our intent to have this serve as an information resource where others may learn from or be inspired by your actions, just as others may lead you to new achievements. Future inspections will provide the opportunity to update information about your environmental stewardship activities.

Very truly yours,

Wolfgang Skacel  
Assistant Commissioner
